AMENDMENT B

Sir:

This is in response to the Office Action dated November 29, 2006.

Initially, enclosed is a Terminal Disclaimer with respect to the Company's
United States patent No. 6,574,887. This should obviate the applicability of this
patent as prior art with respect to this application.

Please amend the claims of this application to as follows:

CLAIMS

1.-13. (Cancelled)

14. (previously presented) A shoe comprising a sole, a vamp and a
tongue portion wherein the tongue portion is attached to the sole by a linking
means that allows the tongue portion to be rotated with respect to the vamp to
display alternating sides of the tongue portion, said linking means tapering to a
